How to Thrive in Challenging Times with Oracle Cards

Video 4

## Story In Motion

For this exercise you'll need your journal or notebook, Oracle cards, or you can use the virtual deck.

Think about something you want to experience, maybe it's a great relationship or the perfect job for you. Whatever it is, write that down.

Choose a card asking, **“What is my next right action as I co-create this life for myself?”**

When reading the guidebook, be sure to notice what phrases stand out to you and how you can apply it to the question you asked.

If the card is upside down (in protection) only read the protection message.

Use your journal or notebook to write down your reflections.
